

December 14, 2021

Dear Speaker Pelosi:

S. J. Res. 29 provides for congressional disapproval of the Occupational Safety and Health Administration's (OSHA) emergency temporary standard requiring all private-sector employers with 100 or more employees to adopt a mandatory COVID-19 vaccination policy for their workers or require employees who choose not to get vaccinated to undergo weekly testing and wear a mask in the workplace. On November 12, the U.S. Court of Appeals for the Fifth Circuit reaffirmed its November 6 order staying the mandate on the grounds that it grossly exceeds OSHA's statutory authority and raises serious constitutional concerns.²

With the overwhelming support for Representative Keller’s identical legislation, House Joint Resolution 65, which has 212 cosponsors, we respectfully urge the immediate consideration of S. J. Res. 29 in the U.S. House of Representatives.

Sincerely,

Darrell Issa
Member of Congress
